22nd September 2011

CIRCULAR

Sub: Implementation of SEZ Online.

The SEZ Online system is already functional at all major SEZs in the country. It has been decided that the SOS will be implemented at Jamnagar SEZ also w.e.f. 01st October 2011. All documentation for Import, DTA sale, DTA procurement etc. will be done through the SOS only. No manual documentation will be processed by the SEZ customs w.e.f. 1.10.2011. NDML experts will remain present for two weeks to sort out any hiccups, on the spot. Export documentation (Shipping Bill) will be implemented on the SOS w.e.f. 1st November 2011 positively, and NDML should work with RIL to achieve this.
